Features:

ENGINEERED TO COOK 20% FASTER**
Improved convection increases speed and evenness
of cooking for quick meal preparation

The image is divided into three vertical panels, each showing a different food item prepared using a specific cooking method. The first panel on the left shows two slices of toast topped with mashed avocado, diced hard-boiled eggs, and fresh basil leaves. The middle panel shows a single blueberry muffin with a golden-brown crust and visible blueberries. The third panel on the right shows two pieces of salmon fillet, one of which is topped with a small amount of green herbs. Below each image is a red banner with white text indicating the cooking method: 'TOAST', 'BAKE', and 'BROIL'.

A close-up photograph of a dish featuring three stuffed chicken thighs. The chicken is golden-brown and roasted. The stuffing is visible in the cross-sections, containing a mix of vegetables like mushrooms, bell peppers, and onions. The dish is served with a side of fresh vegetables, including broccoli, carrots, and bell peppers.

 **Convection technology**
increases speed and evenness

 Fits 12" pizza or 6 slices of toast

 **90-minute timer**
with stay on function

A close-up, horizontal view of a chocolate cake decorated with chocolate swirls, white cream, and nuts, resting on a white plate next to a brown cloth.

The Black+Decker logo is prominently displayed in a rounded rectangular frame. To the right, a red ribbon badge features the text "#1 BRAND IN TOASTER OVENS". Below the logo, the words "DIGITAL CONVECTION" are written in large, bold, red capital letters, followed by "Countertop Oven" in smaller black text. The top portion of a silver and black countertop oven is visible at the bottom of the advertisement.

VECTION

The image shows a Black+Decker convection toaster oven. It has a stainless steel finish with black accents. The oven door is open, revealing a wire rack and a baking pan inside. The control panel on the right side features a large rotary knob for temperature (ranging from 150 to 450), a digital display showing '59', and another rotary knob for time. There are also buttons for 'Keep Warm', 'Start/Stop', and 'Defrost'. The Black+Decker logo is visible on the front of the oven.
