

IMPORTANT SAFEGUARDS

- Uni-Lid can be used in the refrigerator or freezer.
- Do not microwave.
- Do not use in the oven or over heat, such as direct flame, hot plates, or gas burners.
- Do not detach the adjustable dial.
- Do not use if the Uni-Lid is torn or damaged.

Instructions for Use

1. Hold the food container securely.
2. Place Uni-Lid over the container and stretch to fit snugly. Ensure that Uni-Lid is neither too tight nor too loose.
3. Set the adjustable dial to the day the container was covered.

Care & Cleaning

- Although Uni-Lid is dishwasher safe, we recommend cleaning by hand.
- Wash with warm water, nonabrasive soap, and a nonmetallic sponge or cloth.
- Do not use baking soda, detergents, or other harsh soaps or solutions.
- Store in a dry cabinet or drawer.

60-Day Money-Back Guarantee

If you decide that you don't love this product, your order is covered by our 60-Day Money-Back Guarantee. You have 60 days from the day you receive your product to request a replacement product or refund of the purchase price minus processing and handling fees. To receive a refund or replacement, you must return the product to us at your expense.

To return the product, call customer service at 1-973-287-5124 and request a return merchandise authorization number. Pack the product carefully and include in the package a note with (1) your name, (2) mailing address, (3) phone number, (4) email address, (5) reason for return, and (6) proof of purchase or order number, and (7) specify on the note whether you are requesting a refund or replacement. Write the return merchandise authorization number on the outside of the package.

Send the product to the following return address:
